MR. ZDROJKOWSKI

The selection of Mr. Zdroykowski as Memini 2012 co-dedicatee is no surprise. With his dedication for teaching in the classroom and as advisor to the class of 2012, he is definitely a favorite here at Chicopee Comp. Mr. Z is always available to his students when they need guidance or someone to talk to. He is a kind and caring person who guides his students in the right direction.

Growing up in Springfield, Mr. Z graduated from Central High School. He later continued his education at Westfield State majoring in history. During his college education, Mr. Z was a student teacher here at Comp when he decided he would love to stay and be part of CCHS. Starting his Chicopee Comp teaching career in 2002, Mr. Z quickly became an asset to the staff by leading Student Council and the Renaissance Club. Before teaching at Comp, Mr. Zdroykowski worked at Big Y; while there he met and began a friendship with co-worker Mr. Jendrysik. Teaming up with Mr. Jendrysik for a second time, he was appointed as Class of 2012 advisor in 2009.

Mr. Z is a sports fanatic! He loves hockey and his favorite team is the Boston Bruins. For

football, you will catch him sporting the red and blue colors of the New York Giants. His favorite baseball player is Ryan Braun, who plays for the Milwaukee Brewers. He also takes pride in the golf team here at Comp, which he coaches. In his free time, Mr. Z enjoys playing Rock Band with his nephews, and participates in the nearly unbeatable trivia team Staff Infection with several other teachers. He was recently married in April of 2011, but before he was married he traveled to different baseball parks around the country with his friends. Also, Mr. Zdroykowski has an obsession with Justin Timberlake, but shh.. IT'S A SECRET!

Many students are familiar with Mr. Zdroykowski from the history classes he teaches, his willingness to lend a hand when it comes to someone in need, and the funny jokes he tells. It is safe to say that every student here at Chicopee Comp appreciates the hard work Mr. Zdroykowski has done, but a special thanks goes out from the Class of 2012 for his ability to do everything from organizing class field trips to collecting Senior dues. We love you Z!

1. A young Mr. Z keeps his eye on the ball.
2. Mr. Zdroykowski with his diploma at graduation.
3. Attending formal events with Mr. Jendrysik is all part of the job for Mr. Z.
4. Mr. Z as a little boy.
5. Four generations of the Zdroykowski family.

HERE'S TO YOU MR. "O"

MR. O'MALLEY

It is our pleasure to present Mr. Edward O'Malley with the honor of *Memini 2012* co-dedicattee for his thirty-four years of hard work and dedication as an educator. Having worked at four different school systems; Clinton, Marianhill Catholic, North Brookfield and Chicopee; Mr. O'Malley is finishing his career with a "BANG... and the little rubber ducky falls down" at Chicopee Comp. During his illustrious career, Mr. O'Malley has been a tutor, a teacher of mathematics and computer science, an athletic director, a basketball and baseball coach, and a car salesman. He served three years as an assistant principal and four years as a principal at North Brookfield Junior / Senior High School. In addition, he taught computer classes for Fisher College's evening program and was elected to the Who's Who of International Administrators.

Mr. O'Malley has been a math teacher at Comp since 2005. He is well known for his hilarious sayings, along with "horseshoes and hand grenades." He is a teacher who supports his students by always being there for them and is an all around great guy who enables his students to follow their dreams. He does all he can, from attending sports events, staying after

school to help his students fully understand everything they're learning, and going to various school functions; Mr. O'Malley has always been there for his students, and will be remembered fondly by those he helped for years to come.

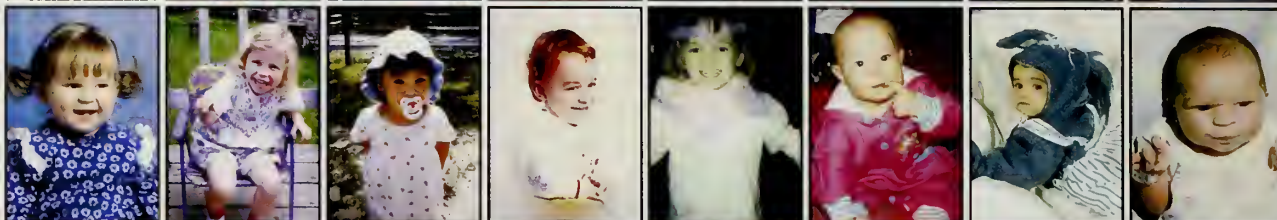

Mr. O'Malley is and will always remain one of Chicopee Comp's most respected teachers. Many teachers around the school admire Mr. O'Malley. Frank Szydlo, Math Department Chairperson, remarked, "His sense of humor and compassion for students have combined to make him a student favorite and outstanding teacher." Fellow second floor teacher Ms. Bineau stated, "I just love him, he's such a straight shooter. You walk in his room and hear Irish famine ballads, you know his Celtic Thunder music and then you get a brownie. I mean, where did we find this guy? And aren't we lucky we did!". As Mr. O'Malley would say, "there isn't a snowball's chance in hell" that the students and staff at Chicopee Comp will forget this outstanding teacher and the memories that have been made throughout the years of knowing him. Thank you for everything, Mr. O'Malley!

FRESHMAN YEAR

"Making the world greener, one freshman at a time"

Walking into a new school is always challenging, but our class accepted the challenge. We circled the floors and found classrooms (sometimes better than the seniors), complained about the directional stairwells, and slept during lectures. In English class, we pretended to read *To Kill a Mockingbird* when in reality we were checking our text messages and Facebook newsfeeds from our phones.

As freshmen, we had trouble finding seats in the cafeteria, walking the hallways alone, and knowing where to sit during rallies, but that first year was all so quickly over. Spirit Week was exciting and it gave us a sneak peak at how amazing our long-awaited senior year would be. We got pumped for the Sword Game, showed some spirit and celebrated when our football team won back the sword from Chicopee High. Freshman year was the year that started our high school adventure, full of memories and moments that took our breath away.

SOPHOMORE YEAR

"We're Super Fly "

Sophomore year was an amazing year for the class of 2012. They beat the juniors in the Dance Off competition, a big win for them. It was the year Drama Club presented *Little Shop of Horrors*, one of the school's greatest musicals. 2010 was the year sophomores had shirts with flies on the backside, which instigated a funny little incident with seniors that included fly swatters. Sophomore year was also one of the biggest wins for our boys volleyball team as they won the state championship. There is no doubt that sophomore year was an exciting time for the class of 2012.

JUNIOR YEAR

"Game Over..."

Junior year was full of great memories and a memorable Spirit Week. We won back the sword, but we were a little smarter than the silly seniors who rushed onto the field a bit too soon. 2012 will be remembered as one of the most spirited classes to hit the CCHS hallways. The tie between the seniors and the juniors during Spirit Week was a cover, but we all know who really won. Junior year was also the year we all dressed up and looked nice for our Junior Prom. All we have to say is.. GAME OVER!

SENIOR YEAR

We Run This !

Senior year is the year everyone waits for. It's the year we prepare ourselves to leave high school, go to college, and enter the real world. It was filled with our last memories, graduation, and tear-jerking goodbyes. Our senior shirts said it all: "We Run This." Senior year was amazing with a week-long snow vacation over Halloween weekend, posing on Main Street for our senior picture and spending time with our friends. Our taste buds were satisfied with the delicious lunch at Compaccinos every Thursday; a privilege only Seniors are allowed. We've waited for this year ever since we entered CCHS for the first time. Now that our time has come, we understand how fast high school really does go by!

Our class took three awards, including Most Dramatic, Best Music and Best Actor (Labonte).

Shout-Out to our Advisors!

Mr. Jendrysik and Mr. Zdroykowski run this!

They work tirelessly, yet still find time to listen to us whine about our Senioritis. Mr. Jendrysik and Mr. Zdroykowski are without a doubt the go-to staff members whenever we have a problem. Plus, they look great in graduation robes; wouldn't you agree?

Gym Class Heroes

Mike Lepage always wanted to go mountain climbing but he never knew which mountain he wanted to climb first. He finally made his decision and his decision was.... Mt. Cup Stack!

Whom do we have here?
Only the pickle ball champions of the period 3 advanced gym class, Shaween Mendis and Alan Josefiak along with their worthy competitors Blaize Landry (far left) and Bryan Donze (far right).

A group of pickle ball enthusiasts pose for a picture after a hard day's work.

Angel Rodriguez floats like a butterfly, stings like a bee.

The 3rd period advanced gym class consists of from left to right: (Top Row) (Nathan Achorn, Kevin Kirkland, David Baldiga, Shaween Mendis, Richard Dybski, Alan Josefiak, Kellie Ricker, Peter Szura, Julissa Diaz, (...), Clarissa Marchia, Jon Sliwa, Elissa Dingman, and Mr. Mercer. (Bottom Row) from left to right: Amanda Nelson, Sam Hill, Sam Roux, Venassa Stefanelli, Tyler Midura, Kelsey Martin, Bryan Donze, and Brittany Dominique.

Everyday Heroes

Left to right: Josh Gregoire, Sophia Carapeta, Erin Maroney and Sebastian Szeszko smile for the camera. Sophia raised money for a computer program to aid the students in rooms 208 and 210, where Erin is a peer mentor, and Josh and Sebastian are students.

Left: Alexander Nally and Meg Fournier are a force to be reckoned with when it comes to music. Meg is a co-drum major for the band and Alex is lead tenor in chorus.

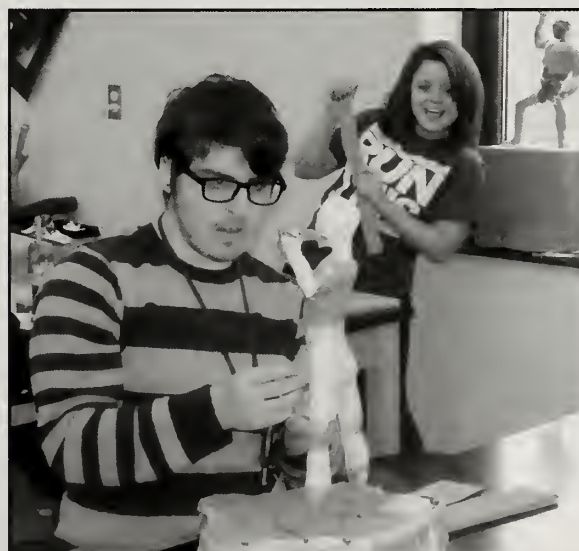

Right: Yanelis Ruiz and Michael Piedra star in the Drama Club production of Grease. Yanelis plays Sandy and Michael has the role of Danny.

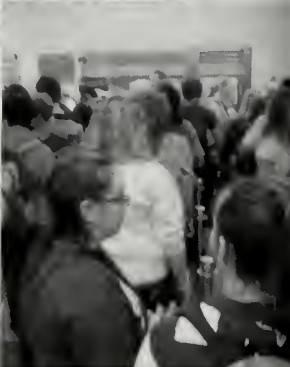

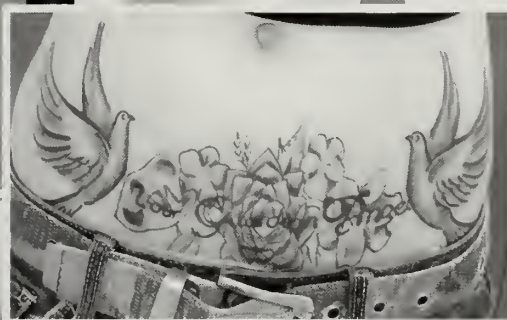

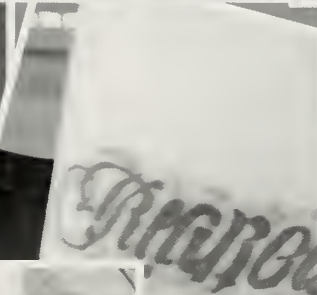

These CTE students excel in both their career tech shops and academic classes. Left to right: Kristin LaPointe (Metal Fabrication), Lexi Moura (Drafting), and Nicholas Roy (Culinary Arts).

One of CCHS's leading creative forces, Joe Chouinard, focuses on his work of art as Chantel MacDonald sets up the photobomb.

Lunch

Halloween Storm

The Halloween storm of 2011, which resulted in a five day break from school, was one to remember. It was our first white Halloween. Because of the snow, we didn't get to wear our Halloween costumes for spirit points or go trick-or-treating for candy. The storm left many of us without power, and for a couple of days gasoline was hard to find. There were many downed trees and power lines, as well as buried automobiles. Neighbors, friends and family pitched in and looked out for one another. This fluke of Mother Nature's definitely brought us together as a community.

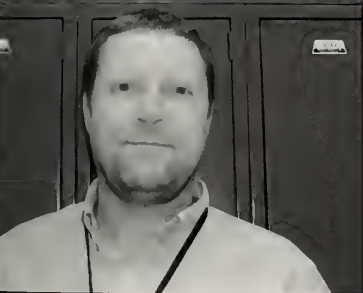

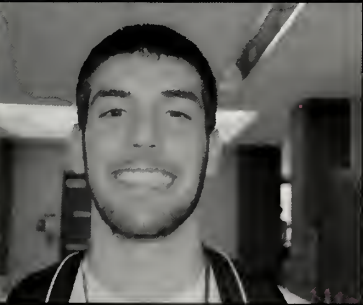

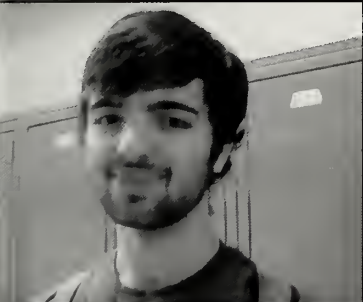

Movember

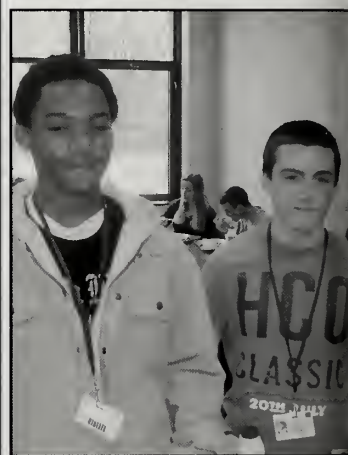

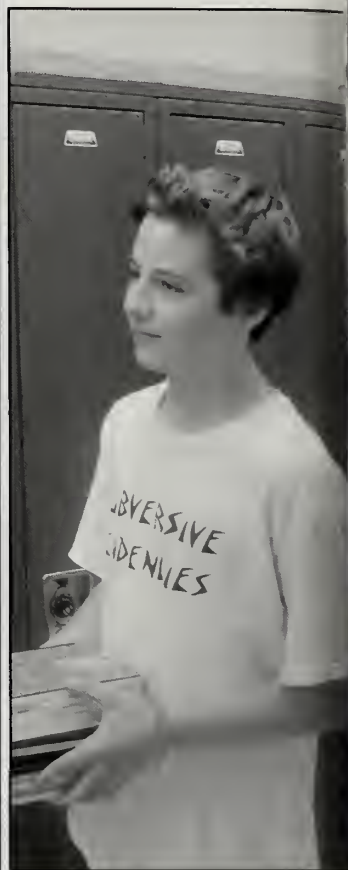

Left to right:
Michael Piedra,
Trevon Bethea,
Jeff Vautrin and
Ryan Crothers
show off their
marvelous man-
fringe!

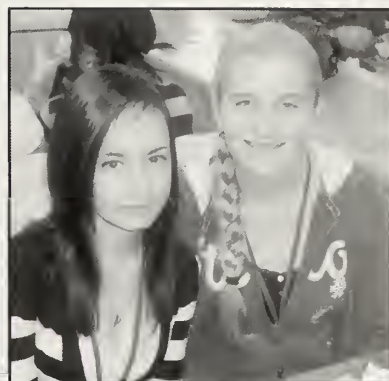

This November several teachers and students raised money for prostate cancer by growing their facial hair for the month. The mustaches were a little different in color, shape, and thickness for some but they were all grown for an excellent cause.

Top, clockwise: Mr. Couture, Mr. Jendrysik, Mr. Brown, Mr. Zdroykowski, Mr. Douville, Mr. Sowa, Mr. Franczek, Mr. Buklerewicz, Mr. Paquette and Mr. Dwyer give a show of solidarity.
Above: Prostate cancer doesn't stand a chance with Mr. Morrison, Mr. Peterson, Ms. Goudreault and Mrs. Fennessey on the warpath.
Left, top to bottom: Alexander Nally, Connor Cloutier, Milmaris Castro, April Desroches, Chloe Gerhardson and Mr. Gelinas model some mighty impressive growth.

CAREER TECHNICAL EDUCATION

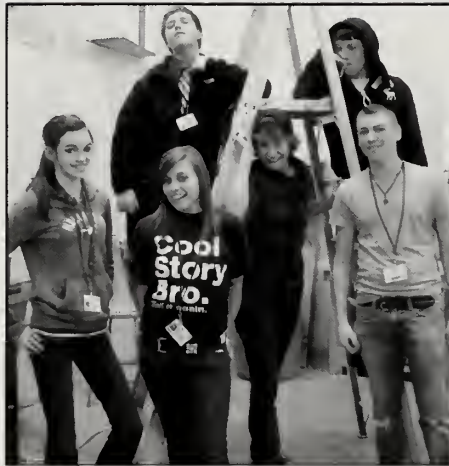

Horticulture/Building & Grounds

Planting the seeds for a bright future!

Right: Horticulture students pose for a quick pic.

Far Right: Seniors Anthony Manzi, Evelyn Gonzalez, Anthony Bonilla, Dakota Seaback, April Desroches and Stephanie Craven pose in the Horticulture greenhouse.

In the Horticulture and Buildings and Grounds Maintenance classes, you will find some of the most creative and innovative students. They have an eye for design. They know how to make beautiful waterfalls with colorful flowers in an artistic layout.

Above: Giving the koi pond in the courtyard some attention.
Right: Jared and his machine are ready to go.

Far Right: Regular maintenance of the equipment ensures that it will continue to work correctly and safely.

Above: Working together to paint a fence.

Right: Donald Neveu, Armando Garcia, Jared Oyola, Luis Dejesus, Maurice Velez and Kraig Martin are the backbone of Building and Grounds Maintenance.

Carpentry

Hammer time!

Far Left: The carpentry students pose proudly in front of the house they built.

Left: Brandon Seibold works hard at his trade.

Above: Spencer Hastings carefully carves a new bureau for the house.

Left: Kurt Laplante uses the radial arm saw to cut a piece of wood.

Above: Travis Lelievre uses a circular sander to smooth his project.

Below: Tina Niedermeier and Matt Knorr paint some scenery for Grease.

Machine Shop

You can only cut it once.

In the Machine Shop, students use various types of machines to create metal projects. Students in this class learn to assemble, cut and design different parts for industries. The students leave this shop prepared to pursue a career in machine technology.

Above: Meagan Hall uses a milling machine to size down her stock.

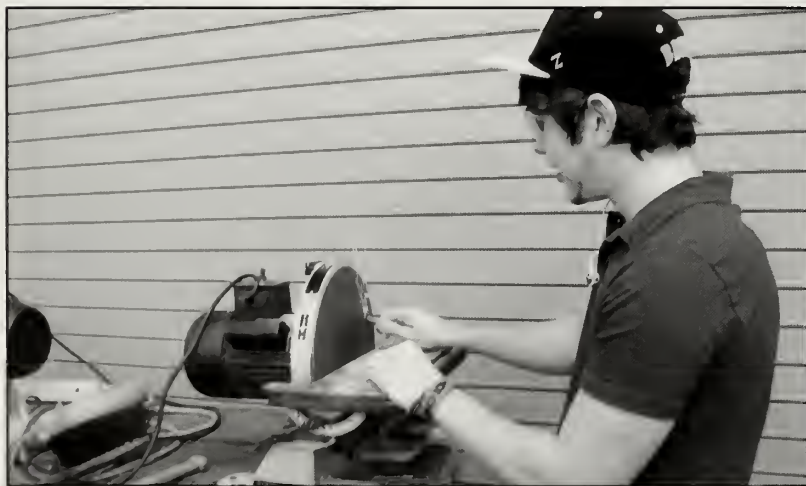

Top Right: Kayleen Estrada operates the CNC machine.

Left: Patrick Mitchell cuts pieces of metal using the band saw.

Right: Cassidy Marshall measures materials for her project.

Far Right: Tyler Richards uses a lathe to form a new metal design.

Above: Cory Hart grinds away rough edges on a piece of metal.

Right: Dennis Sanders, Cody Ostrander, Jeremy Armitage and Brian Hill write programs for the CNC Machine.

Metal Fabrication

Let those sparks fly.

The Metal Fabrication class lets those sparks fly; they can weld almost anything, as long as it's metal. They can fix plows, make sculptures, or create tools with their newly learned skills. Welding needs to be precise and straight; it takes a good eye and a lot of practice to do what is required for this class.

Above: Michael Makowski wears reinforced safety gear; a must when working with fire and hot metal.

Top left: Anna Nieves uses the arc welder.

Far left: Sean Pajak welds pieces of metal for his senior project .

Left: John Ortiz sorts welding materials.

Right: Dano Mayer uses the sander to smooth his project.

Above: Justin Raymond uses the hydraulic shear to cut metal.

Left: Derek Kelleher cuts circles out of metal on the plasma cam.

Automotive

You drive me crazy !

The students of automotive learn how to make cars come to life. By their senior year they know how to do everything from changing oil to replacing a transmission. They learn how to keep the world driving forward. These students see some of the latest advancements in technology and learn how to work with them to improve safety and fuel efficiency. They have the potential to make driving a safer experience.

Sam Pierson and Devon Stearley balance tires.

Above: Mike Wright rotates rotors.

Right: Lyle Stelzer swaps an air filter to keep this car breathing healthy.

"If you walked into our shop, you would probably think we were all trying to kill each other."

-Mike Wright

Shakah Oakes puts his tools away after a job.

Mike Britten installs a transmission.

Above: Vitaliy Divnich gets his hands dirty replacing parts.

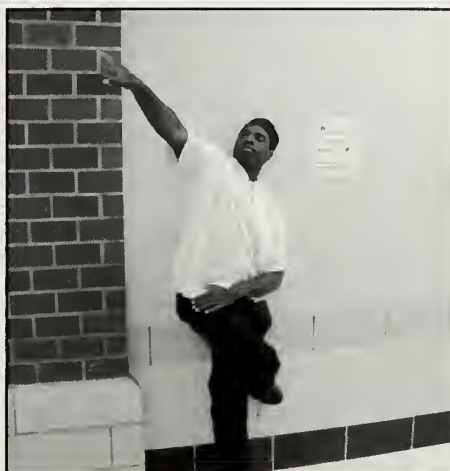

Right: Derek Lillis replaces universal joints.

Culinary

What's cooking, good looking? ;)

Culinary arts is more than a classroom: it is a place where creativity combines with flavor and quality cuisine. Students learn to prepare restaurant quality food that is appealing to the eyes as well as the taste buds. When you walk into the kitchen you witness the heat and the passion our chefs put into the dishes they make. The students show off their works of art at Compaccino's, a student run restaurant, open only to staff and seniors.

Above: Corey Brown flashes his super cook pose

Left: The seniors pose for a picture prior to prepping for Compaccino's.

John MacNeal handles some hot spuds.

"Culinary is my family and the teachers and students in it are some of the greatest people I know."

-Nick Roy

Kayla O'Donnell cooks up some yummy potatoes.

Rosemary Rosado, Amanda Leblanc, Meghan Booth and Cindy Reyes show off their mustaches in Culinary.

Above: Shayna Hebert and Shelby Gladu prepare chicken wraps.

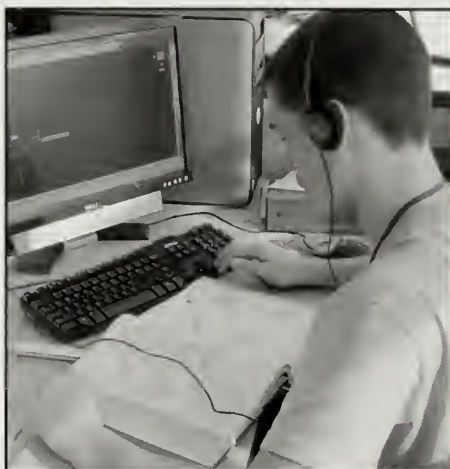

Left: Emma Davis, Sam Domina and Tiffany Bogart peel away.

Drafting

Let's make some plans.

Drafting is a program that specializes in architectural drafting and design. In their class they create real life objects using computers. They use a wide range of tools they use, from rulers and pencils to expensive printers and laminating equipment.

Right: Matthew Boisvere pores over his textbook.

We're shocking!

In Electrical, the students learn new skills both in class and by contributing to different projects in the building. Football

A good kick is crucial to start the game.

This year's football team was filled with great players who played hard every game and all season. Together they faced many challenges but came together and grew as a team. The captains, Matthew Yacubeck, Zachary Crowley, and Michael Makowski, kept the team together during the season. Even without the wins their hard work shown through, after every game they gathered around the sidelines and sang along with the band to our school's fight song. The captains as well as all the seniors were excellent role models for the rest of the team. With all their dedication and hard work throughout the season the football team and coaches made the best of this season. Despite their record the football team still received support from students, teachers, and their families, and everyone who went out to the games. High school football games are always a great time to hang out with friends, sit on cold bleachers, cheer and sing along with the band. We will always support our great football team and head coach, Mr. Marc Schuerfeld.

Win or lose, the football team ends the game with the school's fight song performed by the school band.

GIRLS SOCCER

"Total Domination"

The girls soccer team did their best this year and put up an extreme fight against all of their opponents. With a final record of 2-11-4, the girls were able to put in their best effort and pull through as a team. Coach Carvahlo and Coach Wright had a definite effect on the girls' talent, due to their great leading ability and coaching style. The girls stayed strong throughout their season, especially in their game against Westfield, where the girls won 1-0. Alyssa Werbicki

scored the game-winning goal and Kelly Hiersche shut the other team out with seven saves. This was a memorable season for all the players, especially the seniors: Kassandra Pedraza, Jillian Walsh, Alyssa Werbicki, Samantha Hill, Kelsey Martin, and Kristin Lapointe. The girls were able to grow together throughout the entire season. Congratulations to the girls soccer team and good luck next year as well!

BOYS SOCCER

"Come at us"

The boys soccer team had to prove many people wrong this 2011 season, and they sure did! After losing seven seniors and six starters, the boys had some big shoes to fill. Coach Coburn and Coach Gauthier pushed the boys hard all season, and it definitely showed on the field. The senior leadership of captains Kyle Lafontaine and Tyler Naginewicz also helped push the team through their vigorous opponents.

Although the boys play hard every game, the game versus Chicopee High was one where they shone. After losing 4-1 the previous year, the boys came on the field and challenged their rivals. The game ended scoreless and left the Chicopee High boys speechless. With many inexperienced players on the team, the boys can only improve over the next seasons! Congratulations on a great season!

GIRLS VOLLEYBALL

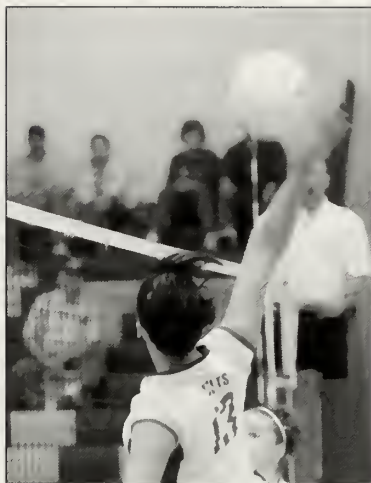

Comp on 3... 1,2,3 COMP!

The Chicopee Comp Girls volleyball team had a winning season this year. Their hard work and dedication paid off in the games they won against Minnechaug, Chicopee High, Holyoke, East Longmeadow, West Springfield, Central, Commerce and Dean Tech. They were led by Coach Dawson and team captains Alesya Kravchenko, Clarissa Marchia, Erin Maroney and Stephanie Ryan. Their season started in late August as tryouts began. Coach Dobson chose a select amount of girls for varsity and junior varsity. Every day after school, the team dedicated two to three hours to enhance their skills in bumping, setting, and spiking. In order to advance into the playoffs, the girls had to win nine of their season games. They succeeded with their ninth win against Minnechaug. Despite their loss against Longmeadow in the semi-finals, the girls still had a good season with hopes of a better one next year. Ashleigh Clark states, "We really bonded together as a team with absolutely no drama!"

Led by Coach Zdroykowski and Coach Franczek, the Chicopee Comp golf team had a fun year with a great attitude by staying positive. In spite of their 5 and 11 record, the players gave it their all. Golf requires great skill and concentration, and the team worked hard and played hard in order to build their skills on the course. All and all, the Colts had an enjoyable 2011 season.

GIRLS BASKETBALL

When it comes to the girls basketball team, they're known for their "swag". With their new varsity coach Mr. Couture, they have learned new skills and strategies to prepare them for their games. This team has worked hard the whole season; staying after school or sometimes at night for practices, weightlifting two times a week, and attending practices on weekends. Balancing basketball and school is a very difficult and important task. That's why these girls made academics a priority in their everyday lives. Every Monday before practice, the team met in Mr. Couture's classroom and did their after school work together. Couture has not only taught this team how important teamwork is, but also that getting good grades is essential. When an unfortunate injury occurred at the beginning of the season with a four year varsity player, Erin Maroney, the team still managed to pull together. Their ambition and dedication proves that these girls have what it takes to be called a team.

Boys Basketball

Hard work, dedication and constant determination was the basketball team's motto this year. Because they played against some of the most talented teams in Western Massachusetts, this year was a struggle for the Comp Colts. However, due to their effort, the season ended up being completely successful in the end. This team was as close as a team could possibly be, and this caused them to be more than just a team, but a family. When this team decided to play to win, they did their best, not only for themselves but for all of

their fellow players, and even more so, their coaches. They played well and came away with their first win over South Hadley to get the season going. They continued this with a win over Agawam and Chicopee High. Chicopee High went down in their second game against Comp with a score of 46-56. The boys definitely worked hard this year, and we wish them luck in their following years, and also congratulations on such a successful year!

The Comp Hockey team has had one of their best years within the 2011-2012 season. Led by captain Bryan Donze, and assistant captains, Mike Lepage, Travis Seymour, and Nick Montemagni, the team is closer than ever. The team has a multitude of phrases they share: "CAA", "Sauce", and "Bar Down", along with their ritual pregame chant of "I believe that we will win". The players show true dedication to the team with late practices lasting until 11 at night. Coach Spear and Coach Brett led the team through this most excellent season.

Swimming & Diving

"When in doubt, shake it out!"

Chicopee Comp's swim team is more like a family than a team. At every meet the whole team stands behind the blocks cheering their teammates on and encouraging each other to do their best. Over her four year high school swimming career, Kara Lacoste broke many school records and won the 2012 State Championship in Backstroke. Congratulations to the boys for becoming the division champions! They are 11-3 this season and 6-1 in their division. Coaches Dayle Cushing and James Mercer, with the help of assistant coach Michelle Lemelin and diving coach Melissa Asselin, led the swimming team to a most satisfactory season.

Indoor Track

"Smells Like Grapes!"

This year, indoor track has had one of their best years. Led by Coach Laurin, Coach Forrette and Coach Goff, the boys and girls track team has been an extremely strong and supportive group. The selected captains for the 2012 season are Kemuel Santiago, Tyler Vacarro, Alex Niemiec, Nathan Moreau and Andre Remillard for the boys, and Gabby Voorhies, Katelyn Bradway, Victoria Ramos and Sam Roux for the girls. Team captain Gabby Voorhees states, "The team is like one

big family; for each event at the meets you can constantly hear everyone cheering for their teammates. No matter what the event, there is always someone there to cheer you on. On the bus ride home, you can find us all singing and cheering. We shoot for personal bests, and if we win the race, it's that much better." The size of the team itself has definitely had a huge impact on their overall success, and we wish the Comp Track team good luck in the years to come!

Comp won the first showdown and received the Burt Berger trophy. The win was a great start to the 2012 season. The team was coached by Sandy Barrett and Nikki Wasseland. Leylani Reyes and Justine Ross were the senior team members. The group worked well together and supported one other during the meets. Gymnastics is a difficult sport that requires many hours of preparation and hard work to make the routines look flawless. Grease is the word this year for Comp's drama club and many staff and students came out for the play. On March 29, 30, and 31, the young and talented actors and actresses performed what they had been rehearsing all year long. Under the direction of Ms. Freisburg and choreographed by the very talented Ms. Pirog, Danny (played by Michael Piedra) and Sandy (played by Yanelis Ruiz), along with all the other cast members really brought the attitude of Grease, singing the famous songs everybody knows and loves. Of course, the show would not have been as awe-inspiring without the dedication and hard work of the technical group, some of whom have been working with Comp's drama club for the past four years. The long practices and dreuling memmorizations of the cast and crew certainly paid off as Grease was a major hit. Congratulations to the artistic young men and women who put on one heck of a show!

Dance Club

The dancing club loves to of course dance. Their favorite dancing styles include: Salsa, Bachata, Tango, Merengue, and ChaCha. Ms. Gomez and Milmaris Castro direct the whole club. They do not attend any dancing competitions because they are just having fun and they enjoy letting loose while dancing with other people with common interests.

Math Club

President: Corey Robinson

VP: Sofia Carapeta

Treasurer: Matthew Maurer

Secretary: Erin Maroney

Members: Julissa Aponte, Michael Frosch

"Think of ourselves as gardeners, not fishermen. Fishermen know what gets the fish. But a gardener provides the environment and enables plants to grow. Our math team doesn't try to just get the best students; instead, we want to get as many students as we can, and do whatever is possible to make ourselves better at math and have fun doing it."-Mr. Szydlo

As Schools Match Wits

As Schools Match Wits is a televised quiz show that airs on channel WGBY on Saturday nights. Competitors Vicky Ramos, Don Roy, Sean Roda, and Tyler Nelson-Yarrows strove to become one of the top eight scoring teams out of fifty schools from Western Mass and Connecticut. Comp faced off against Monson and won with a final score of 190 points. They are eagerly waiting for the final eight high schools to be announced to see if they will compete in the final round.

Fishing Club

Fishing Club was established by Nick Roy and Sonny Yu, two students who are well known as avid fishermen.

Meetings take place in Mr. Gelinas' room monthly with the intent to get together and discuss different types of fishing, good techniques and the best spots to fish. The first fishing trip was held at Chicopee State Park and was a huge success as it broke the ice and created a bond between the club members. They arranged to go ice fishing next in January, but the winter weather ended up being too warm. Their club slogan was "Fishing is off the Hook!"

GSA

Gay Straight Alliance is led by Ms. Cunningham, and the goal of GSA is to spread awareness and tolerance throughout the school and community. Together the students raise money for the Worlds Aids Foundation. They also participate in the National Day of Silence, a day to stand up for those who are silenced by the fear of bullying and hate.

Left to right: Zack Pecia, Erin Simmons, Casey Crouteu, Lexi Moura, Tyler Gallant, Holly Allen and Alexander Nally.

Weight Lifting

Under the direction of Mr. Rege, the dedicated athletes of the Weight Lifting Club meet in the mornings. Some go to acquire new strength, others go to maintain their agility between sports seasons. Regardless of the purpose, any student can come and work out in the morning. It's a judgment free zone.

Amanda Pise shows off the equipment in the weight training room

Game Club

Finally! We can play with our electronic devices in school and the administrators won't take them away! In Ms. Foley's room during Game Club, that is. Students come Wednesdays after school and bring whatever game system they would like to play with them. Game Club is obviously the most fun-tastic organization in Chicopee Comprehensive High School!

Walking into a class you wonder what your assignments will be, but in Publications you know you have to create a yearbook. The staff came to an agreement quickly about the cover design and theme of our yearbook. Even though the senior class of 2012 will always be "winning," we decided to focus on capturing the moments that "take your breath away."

As a class we stood together against bullying by supporting the Walker family of Springfield, who lost their son, Carl, to bullying at the age of 11 on April 6, 2009. Over 176,000 people have already signed the pledge.

Left to right: (Top Row) Mrs. Freisberg, Ashleigh Clark, Alexandra Roux, Emily Rivera, Shaula Paul, Jessica Morrisette, Courtney Schleife, Felicia Cardrant.
(Middle Row) Tyler Deauseault, Sabrina Gray, Alesya Kravchenko, Amy Bouchard, Anjilah Clawson, Dan Orlik, Jeff Vautrin.
(Bottom Row) Nikki Heng, Clarissa Marchia, Amanda Pise, April Desroches, Joey McPherson.

Our section editors this year were Aly Kravchenko, Alex Roux and Ashleigh Clark. The photo editors included Dan Orlik, Matt Maurer and Kassy Dillon. Without everyone's dedicated help and time the yearbook would not have come out this good. Awesome job guys, "no craptions!"

Publications isn't just a class, it's a job. The staff is in charge of creating the yearbook that captures our memories of high school. With the help of Ms. Freisberg, we worked towards deadlines, chased down camera-shy staff members, and captured the magical moments of high school. "Long Live Yearbook!"

Thank you, Ms. Freisberg, for dealing with all of us. We will miss your well-needed rants, funny videos, and quirky comments. You are an amazing yearbook advisor! Sincerely, the 2012 Memini staff

With the transition of first to second semester, we were graced with a few new members as well as saddened by the loss of a few. The new staff members were Joanna Beck, Mariah Bonilla, Jacob Dewolf, Cody Gadreault, Evelyn Gonzalez, Alyssa Hobert, Marikate Hurley, Mariah Mansfield, Austin Monaghan, Alex Nally, Monica Pich, Briana Rees, Kiara Rush, Raysa Serrano De Jesus, and Shadi Zahed.

Designing the Cover for *Memini* 2012

We designed this year's cover with the help of the Jostens cover artist. Everyone pitched in with ideas and input. We knew we wanted to show the school since the class of 2012 is the first class to be in the new building for all four years. As a class we also came up with the "grand finale" theme because during a fireworks show the end is the most exciting and beautiful part. Just like high school where the end, senior year, tends to be the most beautiful and exciting time.

Congratulations!

Allison

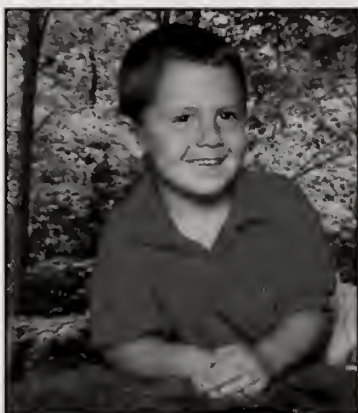

It seems like just yesterday you were so small and now you have grown into a beautiful, young woman. It has been a joy watching you grow up into the person you are today. We will always be here to support you. And, always remember how much you are loved and how very proud we are of you! May the choices you make bring you happiness as you start this new chapter in your life...Listen to your heart, follow your dreams, and always be happy!

Love the life you live, Live the life you love.

Throughout your life, we have seen how each and every step that you took led you away from us and toward your independence. We are amazed that our little boy now looks out at us from a grown man's body. As you move on to new adventures, we will be there to support you and we are so proud of all that you've accomplished. Although too quickly, you've become the type of man we always hoped you would be. Work hard to achieve your successes and remember that anything and everything is possible.

We love you, Mom and Dad

Clarissa (our chick):

You never cease to amaze me how determined you get when you go after something you truly want. You arrived in a new town and a new school to start a new beginning and you didn't skip a beat. Your positive attitude will serve you well in the future. Always remember I love you and will be with you always. My little chickie forever, Dad.

I can't believe how fast the years have gone by. I remember how excited you were when you were going to start kindergarten because you couldn't wait to learn how to read and write. Now, here you are graduating high school and you haven't stopped learning, pushing yourself, accomplishing your goals. I was proud of you then and I'm proud of you now. Keep reaching for more, never settle for less and never, ever underestimate what you can achieve.

Love you, Mom

Well this is it, the end of senior year. You have been worrying about this moment for a long time. But I'm here to tell you not to worry about it. You are a smart, loveable person who works hard to get ahead in life, You do everything tirelessly to get ahead whether it is school, work or life. But I'm here to tell you to stop and look around for awhile. Stop worrying about everything and stop trying to grow up so fast. Enjoy the here and now while you're still young. Enjoy youth. Love your brother, Anthony

I am very proud of you not only because you overcame adversity, but because you didn't quit. For that I congratulate you, Love your brother, Daniel

I can't believe that you're graduating high school and going to college. I'm proud of you. Always chase your dreams, get what you are worth and don't settle for less. Love your brother, Jonathan

Congratulations Kelsey We're All Proud of You

Your hopes and dreams will come true if you have the courage to pursue them. I believe in you.

Love Mom

Congratulations you've made it. Never stop learning. Life is a year round school. Overcome your obstacles with knowledge. Learn as much as you can.

Love Dad

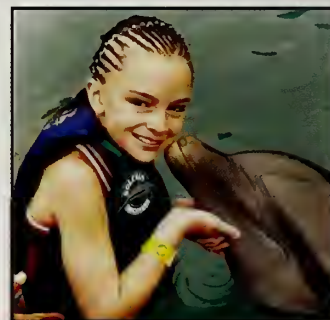

Kelsey,

You finally made it. I'm so proud of how far you've come. I love you so much and remember the sky is the limit.

Love, Kendra

Felicia Joan Siclari

We are all so very proud of you for all you've done, and all you're setting out to do! Your strong will, drive, dedication and accomplishments are an inspiration to all!

We have watched our baby girl grow into a beautiful, smart, ambitious young woman, who will not stop until she has accomplished her goals. All your commitment and hard work will earn you great rewards.

Congratulations on your acceptance to Becker College!

I leave you all my unforgettable moments and experiences to my wonderful and sometimes irritating freshman sister, Ana. I want to leave her with the long grueling hours of work I had sophomore year, but also with the laid back afternoons of freshman year. I hope to leave her with my relentless work ethic or having to fulfill my endeavors. When I leave, I hope that she finds the motivation to strive beyond her limits and to never become an obstacle in her life. I'm talking to you Ana, not you, you with the tacos! AHAHA! You need to do good (not necessarily as good as me *dust dirt off my shoulder*) but do what is best for you. Or you will never be a famous editor/novela writer!! Get on your crap!!! I LOVE YOU!!!

Sincerely,

Your best friend and sister Victoria aka Bicky <3

You are such an incredibly fine group of young men and women, each and every one of you; we're deeply touched. Over the past weeks, in the way you've behaved, in every way, you've made us all so proud of

Chicopee Comprehensive High School and of our entire community; we just don't know how to thank you all enough.

To the Class of 2012:

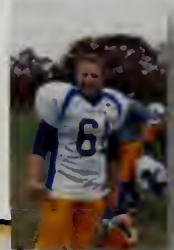

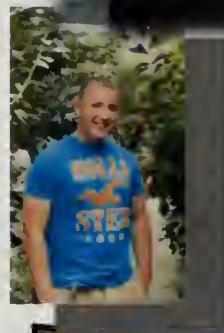

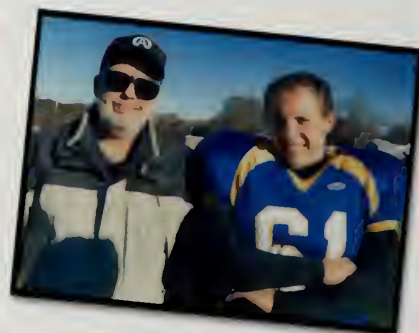

It's very important to our family that all of you enjoy this wonderful time of your lives to the fullest.

If you do think of our son, Dave, think, "Yo, Bro, Wish you were here." Or think, "Love you, Dave." Or, if you wish, think, "God bless you, Dave." and then, just go out and do what Dave would have done if he were here.

Now just get out there and have yourselves some fun.

We would like to offer all of you our sincerest congratulations upon your graduation from Chicopee Comprehensive High School..... And once again, thank you, thank you, thank you all. We're so grateful.

The Baldiga Family
